- I understand that I must wear FDA approved indoor tanning eyewear at all times while in the beds. I also understand that a Copper Tans employee will ask to see my eyewear and that I must present it at that time.
- I understand that any lotion I use is for indoor tanning use only, any outdoor products or oil that I have will be left at the front desk until I am done with my session. If I use outdoor tanning lotion/oil or non professional tanning products in the beds or tanning units I understand that I will be charged \$300-\$800, plus the cost of shipping, for the replacement of the acrylic, or a \$25 cleaning fee each time I tan.
- I further understand that Copper Tans and its employees are not responsible for any items left in the tanning salon that are lost or stolen. Copper Tans is not responsible for Gift Certificates that are lost, stolen, or used without permission.
- Copper Tans and its employees are not responsible for my children, if left unattended. An adult must accompany children 10 years or under if they are left in the waiting room. Neither adults nor children are allowed in the same room.
- There is a 4 minute delay before the bed starts, which cannot be lengthened. We also DO NOT take room requests. Every bed and every bulb is changed at the same time; therefore every bed is the same.

- Anyone found using another person's membership or package will have that member's account terminated. This is a fraudulent act and the correct actions will be taken.
- Tanning is permitted once per day according to FDA regulations.
- All Spray tan Touch-ups will be done within a 24-hour period of initial spray if approved by Copper Tans management. If done after 24 hours of initial spray, it is at the cost of the client. Touch ups will not be done if the customer has jeopardized the outcome of their spray by not following aftercare instructions.
